

# LWW Health Library: Anesthesiology

LWW Health Library delivers trusted health science and clinical content directly to faculty, residents, and staff through a single portal – providing **interactive online access to essentials texts, procedural videos, images, real-life cases and Q & A**. These resources are a must-have for related educational and residency programs – ensuring you have the resources you need to effectively support your residents and staff's learning and clinical practice.

**Essential Clinical and Educational Content for the Anesthesia Department**

## Powerful Tools to support cutting edge research

With the LWW Health Library's intuitive tools and functionality, you can easily navigate to relevant **procedures, research, multimedia, quizzing, and more** to support your practice.

Users with a **FREE** account can enjoy personalized features such as **quizzing, saved searches and content, robust printing capability, seamless off-site access, and more**.

### LWW Health Library Anesthesiology Collection Includes:

23 core textbooks for the Anesthesiologist

Covers each rotation including Regional Anesthesia, Critical Care, Basic Techniques, and sub specialties such as Obstetric, Pediatric, Cardiothoracic, Neuro, and Pain Management

## LWW Health Library Key Features

**Highly-rated references:** Trusted, core texts from Lippincott, making it a one-stop, digital portal for authoritative content paired with industry leading functionality

**Advanced semantic search:** Guides users to results displayed by title, chapter, topic, and/or type of resource

**NEW! Ovid Insights widget:** Help users learn more with related articles from Ovid

**Responsive design:** Browse content on your computer, tablet or smartphone with ease

**NEW! Account personalization:** Save content to a **'My Health Library'**, access Health Library from any computer, and set up email alerts for when new content is added

**NEW! Quizzing:** Allows users to create custom quizzes organized by topic, keep track of responses and link to relevant content to help with remediation

**Customizable collections:** Purchase each specialty collection individually, or as a bundle across multiple specialty areas

# LWW Health Library: Anesthesiology

## Gold-Standard Titles include:

### **Anesthesiologist's Manual of Surgical Procedures**

This top-to-bottom guide to anesthetic technique contains everything you need to know for effective perioperative management of patients. With so many moving variables before, during, and after surgery, it's crucial to understand the best practices for successful anesthetic care.

### **Clinical Anesthesia**

**Score: 2.33 (Health Sciences - Anesthesiology)**

This classic book is unmatched as it covers the full spectrum of clinical options, providing insightful coverage of pharmacology, physiology, co-existing diseases, and surgical procedures.

### **Marino's: The ICU Book**

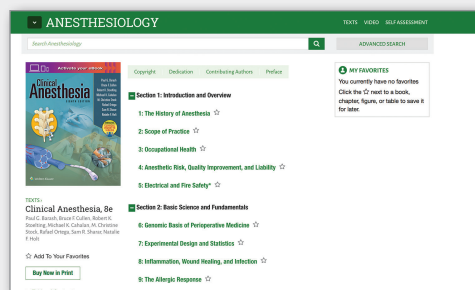

**Doody's Star Rating®: 4 stars, score—92; Doody's Core Titles: Score: 2.2 (Nursing - Critical Care); 2.53 (Health Sciences - Critical Care); Essential Purchase Title**

A fundamental and respected resource, this book continues to provide the current and practical guidance needed to ensure sound, safe, and effective treatment for patients in intensive care – making it a best-selling text.

### Other leading titles include:

- The full 'A Practical Approach' Series
- Stoelting's *Pharmacology & Physiology in Anesthetic Practice*
- Yao and Artusio's *Anesthesiology: Problem Oriented Patient Management*
- Roger's *Textbook of Pediatric Intensive Care*
- Bonica's *Management of Pain*

## Learn and research with a variety of content

- Over 2,200 Q & A in a user friendly interface from key titles such as *Clinical Anesthesia*
- Over 300 videos to support procedural learning and teaching presentations

Using the LWW Health Library: Anesthesiology:

- Anesthesiologists can access material and digital assets to prepare for their next case easily jumping to specific chapters, with the ability to print and/or save that chapter to a PDF to read offline later.
- CRNAs can use the LWW Health Library Anesthesiology tools, contents, and digital assets to create customized presentations – with the ability to save images, videos and chapters.
