NEW! Ovid Insights widget: Help users learn more with related articles from Ovid

Responsive design: Browse content on your computer, tablet or smartphone with ease

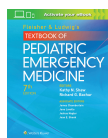

NEW! Account personalization: Save content to a 'My Health Library', access Health Library from any computer, and set up email alerts for when new content is added

NEW! Quizzing: Allows users to create custom quizzes organized by topic, keep track of responses and link to relevant content to help with remediation

Customizable collections: Purchase each specialty collection individually, or as a bundle across multiple specialty areas

LWW Health Library: Emergency Medicine

Gold-Standard Titles include:

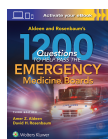

Fleisher & Ludwig's Textbook of Pediatric Emergency Medicine, 7e

Doody's Star Rating®: 4 stars, score—90; Doody's Core Titles: Score: 2.4 (Health Sciences - Emergency Medicine)
Overcome the latest clinical challenges in the emergency care of pediatric patients with this indispensable comprehensive clinical reference on diagnosing and managing emergent health issues in children.

Harwood-Nuss' Clinical Practice of Emergency Medicine, 6e

Doody's Star Rating®: 3 stars, score—86; Doody's Core Titles: Score: 2.33 (Health Sciences - Emergency Medicine)
This leading reference presents a clinically focused and evidence-based summary of this specialty, providing fast, dependable information on clinical presentation, differential diagnosis, evaluation, management, and disposition of a full range of complaints and conditions seen in the ED.

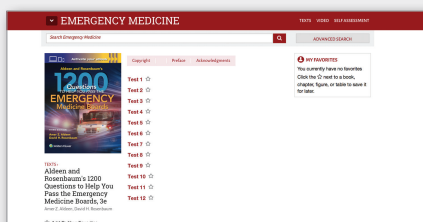

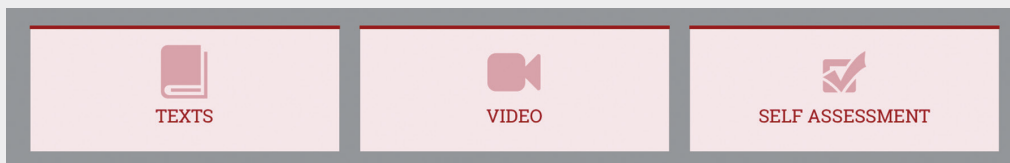

Aldeen and Rosenbaum's 1200 Questions to Help You Pass the Emergency Medicine Boards, 3e

Fully revised and updated based on valuable reader feedback, this book gives the tools users need to pass the ABEM board exam on the first try. Questions are slightly more difficult than the average exam question and have been reviewed for quality and relevance, ensuring that this unique study tool is an ideal choice to prepare for both the in-service residency exam and the board exam in emergency medicine.

Other leading titles include:

- *Manual of Emergency Airway Management*
- *Essential Emergency Procedures*
- *The Washington Manual® of Medical Therapeutics*
- *Kaplan & Sadock's Synopsis of Psychiatry: Behavioral Sciences/Clinical Psychiatry*
- *Handbook of Clinical Anesthesia*
- *Primary Care Medicine: Office Evaluation and Management of the Adult Patient*

Learn and research with a variety of content

- Over 2,600 Q&A for self-review from key titles such as Aldeen: *1200 Questions to Help You Pass the Emergency Medicine Boards*
- Over 9,000 high-quality images and more than 280 videos to support teaching and presentations
