

Medknow

A leading publisher of peer-reviewed, scholarly, open access journals

- Enhance your breadth of knowledge with trusted Open Access content from Medknow.
- Get unrestricted online access to peer-reviewed scholarly research.

As one of the largest open access publishers, Medknow provides immediate, unrestricted, global access to sought after, peer-reviewed journals.

Medknow publishes more than 375 medical journals in partnership with over 340 notable medical societies and associations from around the world.

Available through OvidOpenAccess, Medknow journals are searchable alongside subscribed content—offering users the ability to search across all content in a single query.

Medknow on OvidOpenAccess?

- Access to hundreds of society journals across medicine
- Current research in a variety of topics from radiology to orthopaedics to psychiatry
- Locally developed content, now accessible for global consumption
- Ability to search across Ovid® subscriptions and Open Access content—all in a single interface
- Use of Ovid's unique research productivity tools, such as adding to My Projects, exporting, printing, and much more
